
Dear Parents/Guardians

We are happy to offer First Reconciliation and First Holy Communion Sacramental Preparation at St. John's Parish once again for the Fall 2023 through to Spring 2024 on Sundays beginning 10 am to 11 am on October 15th.

PLACE OF THE SACRAMENT

Sacraments are essentially celebrations of a parish, not academic programs. It is important that your parish connection be established at this time. Catholic school catchment areas and parish boundaries are different.

Attendance at a particular school does not determine the location of sacramental preparation. The parish connection is so important that if you live within the boundaries of one of the neighbouring parishes of St. John's (such as **Corpus Christi, St. Dunstan's, Immaculate Heart of Mary, and St. Brigid's**), it is very important that you contact the parish to begin your sacramental preparation registration.

This emphasis on parish celebration has been promoted in the Archdiocese of Toronto for some years, but we realize that change can be difficult. Perhaps your child made his or her First Reconciliation and First Holy Communion at St. John's, but as time goes on, the connection with the parish where you worship and live needs to be emphasized more and more, as we promote the celebration of the sacraments as an essential part of parish life. The sacrament of First Reconciliation and First Holy Communion is most fittingly celebrated in the church community you are associated with by residence and attendance.

DATES OF PREPARATION

This program will run Sunday mornings with our First Holy Communion Coordinator Iris Savage, along with her catechist partner Carolyn Chesley-Jewell.
